

ECO-FRIENDLY PARTY

checklist

A checklist of actions and ideas to help you reduce waste

- Confirm RSVPs to cater the right amount of food and avoid wastage
- Opt for reusable decorations such as fabric banners and ribbon
- Ditch the balloons
- Instead of individual presents, suggest a donation to charity or a group present
- Avoid single-use plastic in the party bag
- Create a craft activity using upcycled materials to provide a fun take-home gift
- Allow guests pack a take-home bag of party food or lollies to reduce plastic and food wastage
- Collaborate with other parents to share ideas and reusable items
- Make your own piñata from upcycled materials!
